- **Merit Scholarships are based on talent alone** with no discrimination as to race, creed, color or gender, but those who audition must be a junior in high school or younger and reside or study music in Bucks County. Some donors have designated that scholarship funds be used solely at specific performing arts schools or programs. Scholarships must be used towards payment of music lessons or classes. **This is not for musicians without prior training.**
- **It is required that audition pieces be memorized. Professional attire and deportment expected.** If selected to receive a scholarship, the student also needs to be prepared to perform at the Scholarship Concert in 2012, which is scheduled for May or June of each season. The terms of the scholarships offered may include a requirement to participate in additional musicianship classes and/or performing ensembles. **Completed applications must be received by BCPAI by April 30th, 2010.**
- **Judges are musical professionals from the Mid-Atlantic region, not affiliated with BCPAI.**
- **The VOICES of Bucks County is offering 2 voice scholarships for 2 qualifying tenors or baritones age 14 or older who are willing to sing in the choir for the 2011 - 2012 season.**
- **BCPAI scholarships range from \$150 - \$1000 per student. They are intended to assist in the cost of professional training, but are not 100% subsidies.**
